The most important business of the afternoon was the election of a new president to replace Mrs. Earle Wiegman who retired recently. Mrs. Geo. Anderson was elected to this post.

It was decided that the meeting would be held in future at the homes of members of St. Margaret's Daughters instead of at a general meeting place as has been done heretofore.

An announcement was made that two orphans from Natchez had been selected who will be clothed by St. Margaret's Daughters for Christmas. This is an annual custom.

In addition to members, Msgr. A. J. Gmelch was in attendance at the meeting.

Christmas Lighting Program Outlined At C. of C. Meeting

The Board of Directors met at the Chamber of Commerce office last Friday night and amongst other things discussed, was the street lighting for the holidays.

Bob Hamilton, who did such a good job as Chairman of the committee last year, agreed to handle it again. Earl Ramond attended and along with Bob, stated that without needing any additional funds this year, or at least in any great amount, more lights will be strung than last season. It is believed that the labor for this work will be donated again, by the electrical shops, Mississippi Power Co., and the REA. The Christmas tree will be placed in the Court House Square at a later date, so that it will be fresh and nice for the holidays.

The Youth Center was bright with Christmas decorations for the occasion and the Christmas theme was carried out in the decorations of the center, ferns and silver candelabra holding lighted tapers with which the tea table was decorated.

Hostesses at the social hour held after the review were Mrs. Dan Russell, who presided at the punch bowl, Mrs. Edward Porter, Mrs. Robert Hamilton, Mrs. Jacob Volzath and Mrs. G. B. Huth.

FLEAS AND FLIES IN 34th ANNUAL FOOTBALL CLASSIC THIS SUNDAY; S. S. C. STADIUM

The 34th annual Flea and Fly Football Classic originally scheduled for last Sunday afternoon, December 3, was cancelled because of the inclement weather and will be played this Sunday, December 10 at Stanislaus Stadium beginning at 2:00 p.m.

As in previous years, the game will be played for the benefit of the Brother Peter Christmas Tree Fund.

The Fleas and Flies have each been divided into three groups, as much as possible according to size and weight. Each group will play a quarter in the first half and another in the second half. Sufficient time will be allowed in each quarter to allow the teams to function.

Brother Rian is the directing influence for the Fleas and Flies this year. He is ably assisted by Brothers Virgil, Alberic, Canisius, Raphael, Lee and Martial.

The kids have a grand time for the periods they play. The spectators have some good laughs at times. At others they will be amazed and astonished that such mighty-mites can maneuver a ball so skillfully and snag passes with the best of the teams that have ever played on the Stanislaus field. All receipts go to the Brother Peter Memorial Tree Fund. Almost every year the gate has amounted to some \$900. It helps materially in the purchase of happiness for deserving youngsters of Bay St. Louis and Hancock County, who will participate in the distribution of toys for the white children December 22 and the colored on December 23.

Harold B. Weston and his son, John, a former member of the Fleas and Flies, will make the presentation of the award to the winning captain as soon after the last whistle as possible.

Little Theatre Workshop Presents Original Songs As Part of Program

Mrs. Margerite Backman came in to her own at the Little Theatre Wednesday night when the workshop presented a group of her original songs for which she had written dramatic accompaniments.

The program was opened with a touching dramatic reading by Mrs. Vicki Hill which was also an original. Mrs. Hill gave black face monologue accompanied by negro spirituals and added more laurels to those already received for her work in the Little Theatre.

An interesting feature of Mrs. Backman's songs was the fact that two of her musical sons, Ed and Larry Laroux were in the cast.

Three groups of songs were presented the first a cowboy sequence done with costumes, campfire and appropriate setting, the second a formal rendition of two songs by a group of young girls in evening dress with Tempie Perkins at the piano and the third a blackface skit in which the characters sang several of Mrs. Backman's songs.

The next of the workshop productions will be around Christmas and will consist of two act plays with a Christmas setting. An announcement of title and directors for the plays will be made shortly.

FOR FOREST PROTECTION

The Hancock County Chamber of Commerce in meeting this week took steps to protect timber lands of this and other counties. Following is a resolution adopted at the meeting.

RESOLUTION ADOPTED BY THE HANCOCK COUNTY CHAMBER OF COMMERCE AT MEETING OF THE BOARD OF DIRECTORS DECEMBER 1, 1950

WHEREAS, Mississippi has made great progress in the field of timber growing as a result of improved forestry practices; and

WHEREAS, the increased yield of forest timbers has aided materially in the development in our state and especially in the neighboring counties of Hancock and Pearl River; and

WHEREAS, thousands of Mississippians are gainfully employed in the forestry industry, both large and small, and they deserve recognition and appreciation of all Mississippians

HOWEVER, the wanton burning of the forests of our state and this area, either accidentally or purposely, has become a menace to our growing timber prospects and to the safety and the welfare of thousands of homes and lives;

NOW, THEREFORE BE IT RESOLVED that we, the Hancock County Chamber of Commerce, with offices at Bay St. Louis, Mississippi, petition the law enforcement officers and every individual of the State of Mississippi to actively engage in an effort to curb such destruction as "woods burning" and insist that individuals caught willfully or carelessly destroying forests and forest products by fire be prosecuted to the fullest extent of the law.

ADOPTED IN SPECIAL SESSION, DEC. 1, 1950.

THE BAY-WAVELAND GARDEN CLUB

The Bay-Waveland Garden Club, composed of ladies from Bay St. Louis and our neighboring town of Waveland, has done much to bring glory and honor to this section, and continues from year to year to be a leader among the civic clubs of our community. Besides bringing crowds of out-of-town people here in the Spring as part of the Gulf Coast Spring Pilgrimage, it has fostered and supported many worth-while projects, from time to time, including the sponsorship of the Christmas lighting contest, which was such a grand success last year, and which they hope to stage in a bigger way again this year. This Christmas lighting project is one that we should all support, and enter into with the idea of making our town one of the best lighted anywhere on the entire Coast. By going all out for this we will also be showing our appreciation to these ladies who labor so untrudgingly in their efforts for the betterment of our community.

We can truthfully say that no civic club or organization has done more good for Bay St. Louis and Hancock County than the Bay-Waveland Garden Club during the time it has been in existence, and we believe that the people should show their appreciation by giving their full support to any project sponsored by them.

CIVIC MUSIC ASSOCIATION PRESENTS IVA KITCHEL; STUDY OF DANCE SATIRIST

Perhaps the most fascinating aspect of Iva Kitchell's satirical treatment of dance is the fact that she can dance it straight with the best of them. One need only see the genuine lyrical quality in her "Growing Up" piece, for instance, to realize this. She has a strong technique and an excellent background of training not usually found in comedy dancing. Yet she works in what may be likened to distortion of the art she loves.

What drives a dancer like Iva Kitchell into her dances? It may be quite simply the love of supply and demand, of course, because audiences everywhere, including dance audiences, like to laugh. But we find it is not even a question of chance. She is what we like to call a "natural." She has always been, and still is, curiously conscious of the grotesque, the silly, the absurd things taken for granted by other dancers, and quite seriously expressed by them.

At the early age of four, she began to take dance over the coals when she mimicked her dancing master and schoolmates back in Junction City, Kansas, where she was born. She was always acting out impersonations with a keen sense of the ridiculous in human behavior.

She studied with some of the foremost ballet teachers in America. She spent some time with a small touring Russian company, and some seasons with the Chicago Opera Company before she decided for herself that her forte lay in another direction.

Miss Kitchell will be seen at the Gulfport High School on December 12 at 8:00 p.m.

The Garden Club is again sponsoring the Xmas lighting contest—for doorways, indoor and outdoor trees, etc.—we know our people can do it and we are behind them 100 percent—last year's contest brought some unusual talent in artistry and decoration—how about it folks, let's outdo last year—it's nice to know that what you do is appreciated, yes sir—and you can take it from us, the good ladies of Waveland show their appreciation in deeds, not words—they are forming an auxiliary to the Volunteer Fire Company down there in Waveland, and are already planning a series of entertainments to raise money to help their men folks in their work of fighting fires—That's what we call real cooperation as well as appreciation—we didn't get any winter weather during the whole winter season last year, but boy, are we getting it so far this year—kind of hard to take, when you aren't used to it, but guess we can't kick—got to take the bitter with the sweet—and if you want to see some real down-to-earth football and at the same time help a worthy cause, go out to Stanislaus Stadium on Sunday afternoon and see the Fleas and Flies in action—they are playing for the benefit of the Brother Peter Christmas Tree, which in itself, has practically become an institution in Bay St. Louis—and if you can't go to the game, you can still help by sending a cash donation to Brother Alexis, at St. Stanislaus—just think how many little tots will be made happy by your contributions—the Tax-collector's office announced this week that the books are now open and 1950 taxes are now being collected for the benefit of those who want to pay their taxes early and get that off their chests—not a bad idea at that, if you have the money handy—speaking of decorating for Christmas—what about our stores?—Don't you merchants know that people will go into a store that is nicely and artistically decorated?—and when they get inside your store the chances are 100 to 1 they will buy something they would not otherwise have bought if they had not been lured by the unusual decorations—why not try it—anything is worth trying if it will bring trade—

Star Theatre Offers Action With Italian Background In 'Imported' Thurs.-Fri., 14-15

The story, in brief, concerns Chandler's attempt to "take over" the Italian black market ring after his deportation to that country. Falling in love with Maria Toren, though, causes him to change his plans and, in the end, he brings about the disbanding of the ruthless black market gang.

Outstanding supporting characterizations are offered by a trio of foreign players who joined the cast of the film while it was in production in Italy. These include Claude Dauphin as an Italian detective assigned to watch the activities of the American gangster, Marina Berti as a feminine member of the black market ring and Carlo Rizzo as its leader. American actor Richard Robert also gives a convincing performance as a rival mobster who follows Chandler to Italy in an attempt to extort money from him.

Miss Mauffray Reports On PLVV Finance Drive

Miss Elsa Mauffray, vice-chairman of the Finance Drive for the Provisional League of Women Voters of Bay St. Louis, reports that she has collected thirty dollars, with more pledges still to come. While this is gratifying for a new organization, still it is not a great sum for the work the League hopes to do when it receives local status, and it will be necessary for the men of our communities who are interested in the non-partisan work that the league is dedicated to, to give a little more generously as the league's scope increases.

Miss Janet Luce, daughter of Mr. and Mrs. Thomas Mitchell Luce of Pass Christian, became the bride of Milton Joseph Bienvenu, Jr. son of Mr. and Mrs. Howard J. Bienvenu, La. at a double ring ceremony solemnized at 11 o'clock, November 28 at St. Patrick's Church, with Rev. J. P. McGlade, pastor officiating at the nuptial mass.

The bride was given in marriage by her father. She wore a gown fashioned of ivory satin, its bodice neckline and pointed sleeves were edged with real hairpin lace. The basque bodice with hand-painted waist was topped by a full gathered skirt whose flowing lines ended in a cathedral train. Her matching veil of silk alison was full length and fell in exquisite folds from a Juliet cap of the same fabric sprinkled with appliques of the hairpin lace used on the gown. She carried a bouquet of white orchids and lilies of the valley. The bridesmaid of honor was Miss Anne Pagano, an aunt of the bride. The bridesmaids were Misses Nan Jenkins, Betty Cohen, Mary Lou Smith, Lela, Jane and Doreen Mallin.

The groom's best man was his brother, Allen Bienvenu of Reserve, La. and groomsmen were Allen Obrie, C. J. Meyers, Jr., George William Sward, Joseph Raina, Jr. and Charles W. Wicher. Michael Pagano was ring bearer.

Ushers were Sylvester Pagano and Anthony Brady. Before and during the ceremony there was a special rendition of nuptial music, with Mrs. Lela Courtney, accompanist, at the organ. Prayer Perfect and Ave Maria were rendered in solos by Mayor Francis Hursey Mendelsohn and Lohengrin were used as a processional and recessional.

St. Paul's was decorated with a mass of white cut blooms. The similar white blooms tied with satin and tulle streamers.

Immediately following the ceremony, there was a reception at the home of the bride's parents, Henderson Point Road.

Receiving with the bridal party were the mothers of the bride and groom.

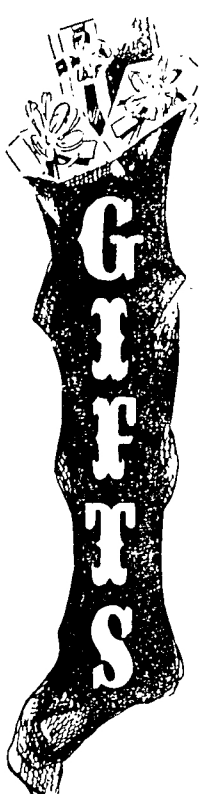

The reception rooms were colorful.
